WELCOME

The staff at Carlisle Elementary School would like to welcome you to the school and invite you to participate in an exciting year. Students from preschool through sixth grade are currently located in the building. If you are interested in the Carlisle Preschool Program, please contact our school office.

Carlisle Local Schools will continue having early release activities for staff members every Wednesday. School will release forty-five minutes early on Wednesdays. The school day will run from 8:20 am until 2:20 pm on Wednesday of every week (with the exceptions being the first and last Wednesdays of the school year). On Wednesdays, AM Kindergarten will go from 8:20 am until 10:50 am and PM Kindergarten will go from 11:50 am until 2:20 pm. This time will allow teachers to plan and coordinate together, review test results, etc.

This handbook has been created to provide you with the information you will need throughout the year. Please read the handbook and review it with your child. **A form located at the end of the handbook needs to be signed and returned indicating that you have seen and read the handbook.**

Families are a large part of a child's education. As a parent, you are the most important teacher your child will ever know. We need you to be involved in your child's educational experience. We will work together as a team to create the best possible learning environment for your child. Communication between the school and parents needs to remain open. The staff is looking forward to working with you and your child this year. If we can be of any assistance or answer any questions, please do not hesitate to contact the school.

ENROLLMENT

In order to enroll in Kindergarten, the student must be 5 years old on or before August 1st of the year of admittance. In order to enroll in First Grade, the student must be 6 years of age on or before August 1st or the student must have successfully completed Kindergarten.

Student Registration – All student registrations will be completed via Final Forms. Parents should go to the district's web site (www.carlisleindians.org), select 'Enrollment' at the top of the page and follow the directions. Parents will need to provide: the child's birth certificate, parent photo identification, immunization records, proof of residency, and legal custodial papers (if applicable).

The parent, custodial parent, guardian, legal guardian, or person having care or charge of this student must provide the school authorities with a copy of an original birth certificate and the school records maintained by the school in which the child most recently attended within 2 weeks (14 calendar days) of enrollment. If the student/parent does not present the original birth certificate and copies of school records at the time of his/her enrollment into school, or if the school authorities have any suspicions that the student is a missing child, the school authorities shall notify the law enforcement agency having jurisdiction in the area

where the pupil resides as defined in section 2109.30 of the Ohio Revised Code.

THE SCHOOL DAY

The school office is open from 8:00 a.m. to 3:45 p.m. each school day. Parents are requested to call the school at (937) 746-8969 or if they have any concerns, questions, or wish to have a conference. We ask that parents attempt to discuss any concerns with their child's teacher before involving the principal. This is the proper chain of command. We will attempt to arrange conferences during the teacher's plan period or prior to the beginning of the school day.

Student hours (1st – 6th Grade) are from 8:20 am – 3:05 pm (AM Kindergarten will meet from 8:20 am – 11:13 am & AM Pre-School will meet from 8:15 am – 11:23 am; PM Kindergarten will meet from 12:13 pm – 3:05 pm & PM Pre-School will meet from 12:12 pm – 3:15 pm). **Students are NOT to enter the building prior to 7:50 am – Between 7:50 am – 8:05 am, students will be supervised in the Elementary Cafeteria - Between 8:05 am and 8:20 am, students will report directly to their classrooms.**

At 8:20 am, the tardy bell rings. **Parents must sign their child in** at the office after this bell. The tardy will be considered unexcused if a parent does not sign in their child.

On Wednesdays, the daily schedule is modified due to the early release of students. The student hours on Wednesday (1st – 6th Grade students) are 8:20 am – 2:20 pm (AM Kindergarten will meet from 8:20 am – 10:50 am on Wednesdays & PM Kindergarten will meet from 11:50 am – 2:20 pm on Wednesdays). There is no CLSD Pre-School on Wednesdays.

EMERGENCY CLOSING, DELAYS, EARLY DISMISSALS

In the event of inclement weather or other emergencies that may necessitate a school closing, delay, or early dismissal, the Carlisle Schools will communicate with the parents, students, and employees via phone call, radio, television stations, and on the district's web site www.carlisleindians.org. Arrangements must be made in advance for students in case of early dismissal. Make arrangements for your children to go to a relative's or neighbor's house if no one is going to be home. Students will not be permitted to call home except for emergencies and parents may not be able to reach the school because of busy lines.

TRANSPORTATION CHANGES

No student will be permitted to ride any bus other than the one assigned. All bus riders will be assigned to a specific seat (at the discretion of the driver). Children must remain in their assigned seat. If a parent will be picking a child up from school (instead of riding the bus home), parents **MUST** send a note **OR** call the school (prior to 1:00 pm or 10:15 am for AM Kindergarten) to notify us – **we are unable to make any type of transportation change based on what a student tells us.**

Legally, the school's responsibility ends after the student exits the departure area. Once on their property, the child's responsibility rests with the parents. However, as a matter of courtesy, drivers are asked to wait until students in grades K-6 have entered their home.

If no one is home, it is the parent's responsibility to have a plan in place to address this issue. Each child should know the plan on the first day of school.

PARENT INVOLVEMENT

The Carlisle Elementary School staff invites parents to be involved in their school. An excellent means of involvement is membership in the Parent Teacher Organization (PTO). Announcements will be distributed early in the year inviting parents to become involved in their children's education through participation in this group.

The PTO benefits students and staff to a great extent through a variety of service projects, special activities, and fund-raising events. Please look for opportunities to support our PTO and our students. You can email our PTO at carlisleelementarypto@gmail.com.

PERSONAL ITEMS

Students may NOT bring personal items with them to school (toys, stuffed animals, trading cards, etc.) unless specifically approved by the child's teacher and/or the building principal. These items can be lost, damaged, stolen, etc.

FIRE, TORNADO AND LOCKDOWN DRILLS

The teachers and students will follow the preplanned instructions as to what action is to be taken in the event of such drills. All information is posted in each classroom.

If circumstances arise that could threaten the safety of our students and staff (i.e. a suspicious person enters the building, etc.) the staff and students will be notified via an announcement over the P.A. system. Upon hearing this announcement:

1. The classroom door will be closed and locked.
2. The classroom lights will be turned off.
3. The window shades of the classroom will be closed.
4. The students will be seated along a wall within the classroom where they cannot be easily seen from the window or the classroom door.

Students will not be permitted to leave the classroom. Strangers will not be permitted to enter the classroom.

DISTRICT HOMEWORK POLICIES

Students have a right to expect homework to be evaluated in some manner and that it be a factor in the assessment of their classroom performance.

Time required to complete homework assignments will vary from student to student and grade level to grade level; therefore, it is difficult to determine what is an appropriate amount of homework. In the name of fairness, some guidelines must be established in order to avoid overburdening students and therefore defeating the intended purpose of homework.

The following should be construed as a guideline in determining the appropriateness of homework assignments:

Grades 1-3 average 30 minutes/day
Grades 4-6 average 60 minutes/day

If the student missed homework due to absences or illnesses, the student will have the same amount of time missed from school to makeup the missed work (For example: A student who is absent on Mon. but returns the next day on Tues. has until the following day, Wed., to turn-in homework.). Parents, if your child is spending an excessive amount of time at home completing homework, please contact the teacher.

ATTENDANCE

Regular school attendance is essential for the educational development of the students. Part of our philosophy is to prepare students with academic and co-curricular experiences that will contribute to academic competency, personal growth, physical and mental health, citizenship, self-expression, and self-esteem. Regular school attendance is necessary in order to take full advantage of this preparation and to establish continuity of instruction. Students who have poor attendance usually have more academic problems. Attendance will be taken each day. Unless a viable reason is given, the absence will be considered unexcused. Students who are absent from school with an excused absence will have the opportunity to make-up any and all class assignments, quizzes and/or tests that may have been missed.

Legal Requirement

Ohio Revised Code, Section 3321.01:

All Children between the ages six (6) and eighteen (18) are of compulsory school age and must attend school.

Ohio Revised Code, Section 3321.03:

It is the parent's responsibility to cause the child to attend school.

Attendance Policy

Documentation for Absences, Tardies and Early Dismissals (Warren County Policy)

Generally, twelve (12) absences from school, which include full days and partial days may be documented by a parent/guardian phone call.

***Medical notes shall NOT count against the 12 absences (time out of school full or partial days) that a parent may excuse**

Absences, full or partial days in excess of 12 absences may not be excused by a parent and shall require documentation by the child's treating physician, nurse practitioner, or physician's assistant – unless an absence is otherwise excused by the Principal due to unusual circumstances.

This Policy will be extended beyond 12 absences if the student or a member of the household is in quarantine due to COVID-19 or experiencing symptoms of COVID-19. Medical documentation/release shall be required to re-enter upon release from COVID-19 mandated quarantine.

The foregoing general rule is for the convenience of school officials in the administration of this attendance regulation. This rule does not create an entitlement for a student to be absent from school 12 times.

Application of this general regulation may be waived by school officials where circumstances indicate that its application does not serve the student's best interest. Those circumstances include, but are not limited to: the student's attendance in the current or prior school years; instances where students/parents have been adjudicated guilty for truancy related offenses or are currently under active supervision or probation. Excused absences from school shall be granted only on the condition of a note from a physician, nurse practitioner, physician's assistant, or excused by the school Principal.

Late Arrivals/Early Dismissals

Being punctual is an expectation that we have for all of our students. Any student arriving to school or their assigned seat in the classroom after 8:20 am must report directly to the attendance office to obtain a tardy slip.

All students K through 6th grade that arrive late to school must be signed in at the attendance office by the parent/guardian/legal custodian to obtain a tardy slip.

The tardy slip must be presented to the teacher to be admitted to class. The school attendance officer will track tardies and report to the administration.

When a student arrives on school property he/she is under the jurisdiction of the school district until the end of the school day. No student may leave the premises during the school day without proper authority. Students that require an early dismissal must present a note from their parent/guardian/custodian to the school attendance officer in the morning at the beginning of the school day.

Please refer to the school policy on Attendance for explaining excused and unexcused absences.

Absences

Students who miss school are required to have their parent/guardian contact the attendance office on or before 10:20 A.M. (2:10 P.M. for Afternoon Kindergarten – 1:40 P.M. on Early Release days for PM Kindergarten).

If the school doesn't receive notification, a phone call will automatically be made to the parent/guardian. If the parent/guardian fails to contact the school, the absence will be considered unexcused until a parent/guardian makes direct contact (within 5 days) with the attendance office to verify the student's absence.

All notes (parental/guardian or physician's) must be submitted to the attendance office within five (5) days of the absence, otherwise the absence will be unexcused.

The school in compliance with Ohio Truancy laws has established the following interventions and strategies to address excused and unexcused hours, tardies, and early dismissals.

If a student acquires 38 hours in one month or 65 hours in a school year of excused and/or unexcused hours, an attendance notification letter will be mailed to the parent/guardian advising them of these hours

Habitual Truancy 2151.022 (B) Ohio Revised Code – The Ohio Revised Code define a student as being habitual truant when a student has:

30 consecutive unexcused hours, or

42 unexcused hours in a school month, or

72 unexcused hours in a school year.

If a student acquires 30 consecutive unexcused hours, or 42 hours unexcused from school in a school month or, 72 unexcused hours in a school year, an Absence Intervention Team meeting will be scheduled by the Truancy Officer, for the purpose of developing an Absence Intervention Plan. The team shall consist of the student, parent/guardian or their designee (a pre-approval FERPA form release for a designee to attend in a parent's place must be filed by the parent for the designee to participate in the Absence Intervention Team meeting), school administrator or their designee, and attendance officer. The team may also include the school psychologist, counselor, social worker, teacher, or representative of a public or nonprofit agency designed to assist students and their families in reducing absences, representative of the Juvenile Court, and any other person that may assist the student, family, or school in reducing truancy. If the parent/guardian fails to attend or otherwise respond and participate in the Absence Intervention team, the school shall do both of the following:

- Investigate whether the parent/guardian's failure to attend triggers mandatory reporting to the public children services agency or instruct the Absence Intervention Team to develop an intervention plan for the child notwithstanding the absence of the parent/guardian.
- If the student and/or parent/guardian fails to comply with the Absence Intervention plan charges may be filed in Juvenile Court.

Reporting and Monitoring Student Absences

It is the obligation of the parent/guardian, or to report the child's absence or tardy each day the student is absent.

- **A school-logged parent/guardian phone call received by the attendance office, on each day of the student's absence, for any of the excused absences below, is sufficient to excuse the child's absence.**
- **Written documentation from the parent/guardian/non-doctor note may be in the form of an e-mail or fax (937-746-0512) to the proper school authority or directly from a physician's office, if permitted by the physician's office.**
- **If within five (5) school days after returning to school following an absence, written documentation or a phone call has not been received, the absence will be "unexcused."**
- **The parent/guardian (and not the school) maintains responsibility to make certain the telephone call and/or absence note was**

submitted to the proper school attendance authority in timely fashion.

- If the parent/guardian fails to contact the school and school personnel have to initiate contact with the parent/guardian via phone call and they DO NOT make direct contact with a parent/guardian, the absence will be considered unexcused until a parent/guardian makes direct contact with the attendance office to verify the student's absence.

Reasons for Excused Absences

- Personal illness or injury.
- Medical or dental appointments (partial days, in most cases.)
- Illness or death in the family.
- Funeral of immediate family members or relative.
- Quarantine
- Religious holiday
- Appointments for court.
- Pre-approved absences. Five (5) days per year approved in advance by the principal. These days shall be included in the eight (8) absence rule.
- Head lice. Children excluded from school due to head lice are allowed one (1) excused absence on two (2) separate occasions in a school year. Absences beyond this number are unexcused unless the additional absences are covered within the eight (8) parent notes or a physician et al. excuse
- Emergencies and other reasons deemed good and sufficient by the principal.

Reasons for Unexcused Absences and Tardies

The school administration will make the final decision whether an absence/tardy is excused or unexcused. In general, unexcused absences/tardies include (but are not limited to):

- Missing the school bus.
- Texting a parent/guardian from school asking them to call the school and allow you to leave.
- Experiencing transportation problems at home or on the way to school.
- Remaining at home to complete school assignments,
- Missing school without legitimate illness,
- Oversleeping. Alarm clock (student's or parent's) failed to work.
- "My mom didn't get me up."
- Not having suitable clothing to wear to school.
- Working at a job during the school day without proper work permit.
- Babysitting.
- Any form of recreation (unless pre-approved absence days).
- Personal business that can be done after school or on the weekends.
- "Helping at home" or "Was needed at home."
- "I had a game last night."
- Senior pictures/portraits.

Medical Excuses

Medical excuses are acceptable documentation of an absence or tardy to school following a personal, in-

office examination by a physician, nurse practitioner, or physician assistant. Physicians, et. al., may only excuse absences or tardies to school for the specific date(s) the student was under his/her direct medical care (during which the student was medically unable to attend school.) Excessive medical excuses may result in the school contacting the physician's office for additional medical documentation.

District Illness Policy

Attending school on a regular basis is important for each child's academic and social development. Parents often have trouble deciding whether their child is too ill to go to school. You child is too sick to go to school and should remain home if any of these symptoms are present.

- Temperature of 100 degrees or above. Once the child is fever free without medication and free of other symptoms for 24 hours, he/she may return to school.
- Has persistent pain from earache, headache, sore throat, or recent injury
- Has a cough that interferes with the child's daily routine
- Vomiting or diarrhea – Child must be symptom free for 24 hours before they can return to school
- Has green or yellow drainage from the eyes
- Has broken out in an unknown/contagious rash

Has a contagious disease such as chickenpox, strep throat, or pinkeye – They must be on antibiotics for 24 hours before returning to school for infectious illnesses.

If you child has any of these symptoms while at school, they will be sent home. If your child is sent home from school with a fever, they should be fever free without medication for 24 hours before returning to school.

Any question should be directed to School Nurse Rebecca Baker, RN, MSN (937) 746-8969 x242

Military Provision

Students may receive up to five (5) additional excused absences per school year for the purpose of attending the deployment or return of a military parent/sibling. These days shall be approved in advance by the principal and will not count against the normal eight (8) excused absences provision. Additional days of excused absences may be approved by the principal in special circumstances.

Make-Up Work

Excused absences and tardies allow students to make-up all missed class work, tests, and assignments. The general rule is the length of make-up opportunity is equivalent to the length of the absence.

Truancy Defined

Truancy is defined by the Ohio Revised Code, Section 3313.609, as "any absence that is not excused."

Warren County Inter-School Attendance Agreement

Student attendance records shall be maintained for the students moving from one Warren County school district to another district within the county. This includes all provisions of this policy

(excused/unexcused absences, steps in the truancy process, et. al.)

STUDENT CODE OF CONDUCT

The Student Code of Conduct meets the intent of the Ohio Revised Code, which requires each board of education to adopt a set of rules, and regulations designed to maintain order and discipline necessary for effective learning. The Carlisle Board of Education's primary concern is that students who wish to learn can do so in an environment conducive to learning and that every disciplinary and prescriptive means be employed on behalf of those who would destroy or deny such an environment.

This code and its provisions shall be applicable to the following behaviors occurring on school property, at school-related activities away from school, and occurring off school property but are designed to have a negative impact on school or the district. Violations can occur against other students, school employees, visitors to school, or to the school environment in general. Students who violate the Code of Conduct are subject to Saturday school, in-school alternative discipline class/program/building (this may occur in or outside the school district and during or after the normal school day), in-school suspension, out-of-school suspension, denial of bus privileges, denial of driving privileges, emergency removal from school, denial of participation or suspension from extracurricular activities, expulsion, and/or referral to the proper law enforcement agency.

13. Failure to attend detention

No student shall skip or refuse to take detention or other properly administered discipline.

19. Harassment/Bullying

All incidents of bullying should be reported to the building principal. A Bully Report form will be completed and the incident will be investigated. GUN FREE SCHOOLS

The "Gun Free Schools Act of 1994" provides that no federal assistance will be provided to a public school district unless the district has adopted a policy permitting the expulsion, for no less than one year, of any student who is determined to have brought to school a firearm.

EMERGENCY MEDICAL TREATMENT

Section 3313.712 of the Ohio Revised Code mandates that an emergency medical authorization form be on file for every student at the beginning of each school year.

Emergency Medical Authorization Forms should be updated via Final Forms each school year.

Parents/guardians should complete/update a form for each student in the family.

Parents/Guardians should contact the school if they need any assistance with this process.

The purpose of the form is to enable parents and guardians to authorize the provision of emergency treatment for children who become ill or injured while under school authority, if parents or guardians cannot be reached. This form also gives the district school nurse valuable health information if they are seen in the clinic.

FOOD ALLERGY MANAGEMENT

Because food allergies can be dangerous, even life threatening in some cases, the district has implemented the following food allergy management guidelines.

Implementing these initiatives will help provide a safe educational environment for food-allergic students and help reduce the risk of accidental exposure to those foods in the school setting.

Family's Responsibility:

- Notify the school of the child's allergies by listing the allergens on the annual emergency forms sent home for parents/guardians to complete.
- Providing medical documentation on any allergies in order to receive school accommodations- must be written by a physician.
- If the child has a severe allergy, the family will notify the building's school nurse before the start of school, or when an allergy is identified during the school year.
- If any medication or Epinephrine Pen is needed at school, the family will provide written medical documentation, medication authorizations, instructions, and the needed medications as directed by a medical practitioner to use in case of an allergic exposure.
- Provide properly labeled medications and replace medications after use or upon expiration.

- Encourage the child to wear some form of allergy alert identification while at school.
- Educate the child in the self-management of the food allergy including:
 - Safe and unsafe foods
 - Strategies for avoiding exposure to unsafe foods
 - Signs and symptoms of allergic reactions
 - How and when to tell an adult they may be having an allergy-related problem
 - If age appropriate, how to read food labels to identify suspected food allergens
- Provide up to date emergency contact information throughout the school year.

School's Responsibility:

- The school nurse will be knowledgeable about applicable federal and state laws and district policies regarding food allergies
- The school nurse will review any health records that are submitted by parents and Medical Practitioners.
- The school nurse will notify the child's teachers, cafeteria staff, office staff and bus personnel of the child's medical allergies.
- If the child has a severe allergy, the school nurse will develop an emergency health plan for the child in accordance with practitioner and parental directions.
- The school nurse will provide safe storage of all medications.
- The school nurse will train appropriate staff regarding medication administration, including correct technique for using an Epinephrine Pen.
- The School District will ensure that all classrooms and buses have communication devices to be able to call appropriate authorities in an emergency.
- School personnel will help family/student to monitor any food being provided for treats or special occasions for any potentially life threatening food allergy content.
- The School District will provide nut free tables to students with severe food allergies during lunch times **upon parent request.**
- Custodial staff will clean the nut free tables in accordance with the district annual training.
- The School District will post menus on

the district website each month, and/or distribute, and/or make available to parents in the main office.

Lice Policy

If a student is found to have LIVE lice at school they will be sent home and contact is made to the parents to treat. The student is permitted to return to school once they have been treated and no presence of live lice is found. Students sent home with LIVE lice will be checked by designated personnel upon return to school, students are permitted to stay at school with nits. Whole class checks are strongly discouraged for cases of live lice found at school. Classes will be checked by the school nurse or clinic nurse if 3 or more cases of lice have been found in a two week period in the same homeroom class.

A copy of such letter or prescription must precede possession of an inhaler on school grounds and must be given to the principal, who will notify the teachers and school nurse.

ANTI-HAZING POLICY

No administrator, faculty member, or other employee of the school district shall encourage, permit, condone, or tolerate a hazing activity. No student, including leaders of student organizations, shall plan, encourage, or engage in any hazing. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition of this policy. If hazing or planned hazing is discovered, involved students shall be informed by the discovering school employee of the prohibition of hazing and end all hazing activities immediately. All hazing incidents shall be reported immediately to the Superintendent. Failure to abide by this policy by school personnel may be subject to disciplinary action and may be liable for civil and criminal penalties in accordance with Ohio law.

SCHOOL LUNCHES

All 1st – 6th grade students who attend the Carlisle Elementary School are given a 30-minute lunch period. They may buy a lunch from our cafeteria or they may bring lunch from home. Milk is served with all lunches and may be purchased separately for those who pack a lunch – If you pack your child's lunch, please do NOT send glass containers of any kind. Students are not permitted to skip lunch, and parents are responsible to make sure their child has lunch money or a packed lunch each day. While all students are required to have a lunch, we do not force students to eat a certain amount of food.

Parents are advised that we do have a free/reduced price lunch program for those who need financial assistance. Applications are distributed to all students. If a student does not receive one and believes that s/he is eligible, contact the school at 937-746-8969 or and a form will be mailed or sent home with your child.

Students have the option of bringing their lunch or purchasing a meal. Students who bring their lunch should have their name and their teacher's name clearly marked on their lunch container.

Students are ***not permitted*** to bring carbonated beverage in their lunches.

LUNCH CHARGE POLICY (2022-2023)

Carlisle Local Schools Food Service Program recognizes that adequate nutrition is essential to students' mental, physical, and academic growth. All children (grades K-12) participating in the School Breakfast Program and National School Lunch Program, whether at a free, reduced, or paid rate, will receive a breakfast and/or lunch that meets USDA requirements, regardless of whether the students have sufficient money in the meal accounts or cash-in-hand to pay for the cost of the meal at the time of service.

Purpose: Although it is the responsibility of the parent/guardian of each child to supply lunches/or money for lunches for their children, the department recognizes that there are times they are unable to do so. This policy is established to provide consistent meal charge account procedures throughout the district in order to ensure compliance with Federal Reporting Requirements of the USDA Child Nutrition Program, as well as provide oversight and accountability for the collection of outstanding student meal balances.

Policy Goals:

1. To treat all students and families with dignity and respect
2. To establish a consistent District policy regarding charges and collection of charges
3. To encourage parents and guardians to assume the responsibility of meal payments and to promote self-responsibility of the student
4. To support positive interactions with District staff, business policies, students, and parents/guardians to the maximum extent possible

Procedures:

1. Child is reminded that they have a charge and they will not be allowed to buy a la carte items or extras while his account is in a negative balance
2. Email sent home to parent or guardian
3. Call home
4. Letter sent home
5. 2nd letter sent home along with an application in the family situation has changed

If a student is without meal money on a consistent basis, the food service department will work with administrators and/or the school's social worker to investigate the situation more closely and take further action as needed. If financial hardship exists, parents and families are encouraged to apply for free or reduced price meals for their child. If there is no response and/or charging continues, we will ask the school social worker to contact the family to see if there is any assistance they need in getting help.

Until further notice, visitors will not be permitted in the cafeteria during lunch periods.

PROMOTION AND RETENTION

A great deal of thought is given by teachers and the principal to determine whether a child should be retained. Many factors are studied with regard to each individual child, such as: report card grades, standardized test scores, achievement test scores, age, maturity, attendance, and past academic history. Parents also play an integral part in the decision making process regarding a child’s potential retention.

INTERNET USE THROUGH CARLISLE LOCAL SCHOOLS

An *Acceptable Use Policy (AUP)* form will be sent home with students. Parents and students must sign and return in order for the student to have internet access through the Carlisle Local Schools

RELEASE OF STUDENT INFORMATION/PHOTOGRAPHS

The federal Family Educational Rights and Privacy Act of 1974 permits the school district to release certain information, known as “directory information” to certain people or institutions, unless you request, in writing, that such information not be released.

In many cases, requests for this type of information come from community organizations, the news media, school directories, or, in the case of high school students, the armed forces or colleges for recruiting purposes. “Directory Information” may include the following:

- *Principal’s list-Honor list
 - *Student name, address, telephone number
 - *Date and place of birth
 - *Participation in officially-recognized activities and sports
 - *Weight and height of athletic team members
 - *Dates of attendance
 - *Most recent educational agency or institution attended by student
 - *Photographs
- Additionally, videotapes, audio recordings or photographs may occasionally be taken of students for use in the news media or school district publications.

The school district will **not** release “directory information” for commercial or other purposes not related to school business.

***PLEASE NOTE:** At the end of this handbook is an additional sheet that you must complete and sign your names (student and parent) in the box “Release of Student Information/Photographs” if you DO NOT want the school to release or publicize student directory information and/or photographs or videotapes of your child. Please review this information before you make your decision.

Family Educational Rights and Privacy Act (FERPA)

Family Policy Compliance Office (FPCO) Home

The Family Educational Rights and Privacy Act (FERPA) gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are “eligible students”

- Parents or eligible students have the right to inspect and review the student’s education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR & 99.31).

School officials with legitimate educational interest;
Other schools to which a student is transferring;
Specified officials for an audit or evaluation purposes;

Appropriate parties in connection with financial aid to a student;

Organizations conducting certain studies for or on behalf of the school;

Accrediting organizations;

To comply with a judicial order or lawfully issued subpoena;

Appropriate officials in cases of health and safety emergencies; and state and local authorities, within a juvenile justice system, pursuant to specific State Law.

Schools may disclose, without consent, “directory” information such as a student’s name, address, telephone, date of birth, honors and awards, and dates

of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents, and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper) is left to the discretion of each school.

POSITIVE BEHAVIOR INTERVENTION SUPPORT

“Carlisle Indians are Respectful, Responsible, and Safe”

Carlisle Local Schools has adopted the PBIS Framework that all Indians are Respectful, Responsible, and Safe. All areas in the school will set up their expectations around the 3 character traits of being Respectful, Responsible, and Safe. We will also have incentives for our students to earn when they are doing well and meet the school and classroom expectations. If a student does not meet the goal, he/she will have an opportunity to relearn correct behaviors or discuss what they can do next time to earn the incentive. We will also introduce character words each month to help with this district-wide initiative. The word for August will be: *Respectful*.
