

# Donations For The Hope House and Franklin Food Pantry!!

(Winners get a Doughnut Party!)

March 2nd through March 6th

“At Hope House Foundation, we believe neighborhoods and communities are enriched when everyone in them participates to the fullest extent possible.”

For this drive, we are asking all of you to look in your hearts and homes for donations for the homeless shelter and the food pantry in your own community! Any donation will help, but we have created a list of items that the Hope House is in desperate need of right now. For each item donated from the top list, the student's class will receive 1 point. Additionally, 2 points will be awarded for each donation from the second list! Finally, if you attend the free basketball clinic on the 5th or 6th, you will receive an additional **5 points for your class!** The classroom with the most points at the end of the week will win a Doughnut party!

## 1 Point Donations:
